Old Business:

Respectfully request that the current application for the Parks and Recreation Advisory Board position be reviewed by the Township Supervisors.

New Business:

Conewago Baseball Association has requested \$2,500 as in years past and as reflected in the budget. Board recommends advancing this to the Supervisors for approval.

Discussed a possible date of March 21, 2015 for the 3rd Annual Easter Egg Hunt.

Supervisor Buckley brought the board up to date on the near completion of phase 2 of the Park project.

The Tennis, basketball and volleyball courts have not been included, but will hopefully could receive bids in March and still have these in place in 2015.

Board suggests having a Park Dedication and press release this fall. Possibly a sign unveiled honoring the contributions of DC&R.

A list of potential Eagle Scout opportunities that would help the park should be developed and made available as soon as possible.

Board requests consideration that Sherk Community Church be approached for utilizing their generous funds for a more immediate project such as the Tot Lot

Meeting adjourned at 8:10.
